A docent-guided tour of the house as well as a visit to the barn and Interpretive Center with hands-on exhibits is included. Our expert Los Angeles step-on guide, Johnathon, joins us today to provide a fascinating perspective on the latest developments in Downtown L.A. and along the "Miracle Mile." Some of the most anticipated new developments and renovations that Downtown has ever experienced will be open by the end of 2015. Enjoy one hour at leisure to explore The Broad, the new \$140 million art museum that is housed in a spectacularly unique building that is already being hailed as an architectural masterpiece. After a series of construction setbacks that resulted in two years of delays, The Broad features an extensive contemporary art collection, including 2,000 pieces from the Broads' personal collections, which are among the most prominent holdings of postwar and contemporary art worldwide. See the burgeoning Arts District, the newest developments in the Grand Avenue Project, as well as the Wilshire Grand Hotel – currently under construction, it will be the tallest building on the West Coast when complete. Take a drive down Wilshire Blvd. to the "Miracle Mile" to see the newly redesigned exterior of the Petersen Automotive Museum. Enjoy an included lunch at Clifton's Cafeteria – an L.A. landmark dating back to 1935. Known for its kitschy forest-themed dining room and delicious comfort food, it is scheduled to reopen by October, 2015, after a four-year, \$10 million renovation. Enjoy an included sweet treat during our visit to Grand Central Market, which has seen some of its own new developments. Our travelers are always amazed at the amount of knowledge and appreciation for Los Angeles that they gain from Johnathon's tours. Price includes tour director and driver gratuity.

SAN ANTONIO WINERY**

#9028.100

*Wednesday, March 9, 2016
Fee: \$99*

Departs: 8:30 am

Returns: 5:30 pm

Today we are joined by professional step-on guide Curt, a history buff with an expertise on the evolution of L.A. He is especially loved by our passengers for his charismatic personality and unique stories. On this tour we focus on churches and temples in the Los Angeles area – all with a unique story to tell. These holy places have provided peace of mind, unity, mutual support and a sense of meaning to the lives of past generations. And while most still serve

congregations, they also have historical value for all visitors. We'll visit The Church of Our Savior to see a stained-glass window depicting a soldier in a tank and a bronze statue of a uniformed soldier that stands in the courtyard, both added after World War II. These unique memorials are a nod to General Patton, whose family helped build the church. We'll also visit All Saints Church, a gothic revival-style church built in 1923 featuring priceless stained-glass windows by Tiffany and Judson Studios. In Little Tokyo, we'll visit the Nishi Hongwanji Temple, a lively and beautiful landmark. Also included will be a visit to Chinatown's Taoist Thien Hau Temple, featuring a hip-and-gable roof and meticulously crafted columns. The temple is dedicated to Mazu, the goddess of the sea and patron saint to sailors, fishermen, and those whose cultures are associated with the sea. We'll visit the Downtown Cathedral of Our Lady of the Angels, where the non-traditional contemporary architecture exudes a calming serenity achieved by soft light filtering through alabaster panes. During our visit here, we'll enjoy the weekly organ recital. Tour includes lunch with choice of entrée at the San Antonio Winery, the family-owned winery established in 1917 that still makes sacramental wine. *Suggested: walking shoes. All visits subject to change.* Price includes tour director and driver gratuity.

The exhibit features around 400 items from the Green Collection, one of the world's largest private collections of rare biblical texts and artifacts. With the included audio tour guide, you'll embark on an exciting journey to the Caves of Qumran, where the Dead Sea Scrolls were discovered; Westminster Abbey, where scholars finalized the King James Bible translation; and even the surface of the moon, where the Bible was carried by astronaut Edgar Mitchell on *Apollo 14*. You'll visit Gutenberg's Print Shop and see a working press, you'll view the Luther Letter that was written and signed by Martin Luther the night before he was charged with heresy, and so much more! Following, enjoy an included late lunch with choice of entrée and dessert at the iconic Biltmore Hotel. Opened in 1923, this luxury hotel in Downtown Los Angeles has always been a favorite of celebrities, presidents and dignitaries and has a storied past – it played host to a nightclub during Prohibition and hosted the Academy Awards. Enjoy time at leisure to

explore the interior of the hotel to see frescos and murals; carved marble fountains and columns; massive wood-beamed ceilings; lead crystal chandeliers, and heavily embroidered imported tapestries and draperies. The hotel's famous Rendezvous Court is decorated with a Moorish Revival-styled plaster ceiling painted with 24 carat gold accents, two imported Italian chandeliers from 1923, and a grand Spanish Baroque Revival bronze doorway, whose astrological clock still keeps time today.
